What our Members are Saying:

Here's what our members said when asked about the benefits of belonging to the IAEE Central Texas Chapter:

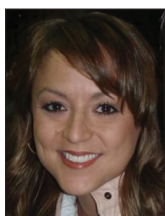

“The training is wonderful and there are experts in our field that make up IAEE. If there is a question I have, or something that is new to me, chances are it is not new to someone else. And I can count on others that have gone before me to offer advice and expertise.”

— Tiffany Mendenhall, Texas Association of School Business Officials

“There are so many invaluable resources which are available. I haven't even begun to explore all the online resources. Also, the opportunity to network – I have learned so much just from talking to other people with similar jobs.”

— Laurie Korn, Texas Association of School Boards

“The great networking opportunities. Some of my best friends are the people I work with or have met in the industry.”

— Mandy Geistweidt, Freeman

“IAEE's programs and events keep us all connected. Not only is the knowledge valuable, this organization builds partnerships. It is a great resource and in these times that is priceless.”

— Amy Brown, CMP,
San Antonio Convention & Visitors Bureau

“Everyone at Horizon Meetings is a member, it is very affordable. The education is very specific and relevant for not only exhibits managers, but anyone in the meeting and event industry. Members are very approachable; it does not take long to fit in with our Central Texas Chapter. And they have a pretty awesome golf tournament!”

— Rick Bissonett, CMP, CEM, Horizon Meetings, Inc.

“The learning and the networking! This is a wonderful industry to work in and everyone is happy to share their good and bad times to help each other out and help learn from our own good and bad mishaps. I have always enjoyed being a part of the IAEE. Get involved, you make a difference.”

— Yolanda Ramirez, CEM, American Payroll Association
