

# Business Solutions for IAEE Members

Payment acceptance needs to be simple and secure for your customers. At BluePay, we offer comprehensive business solutions to fit the unique needs of your meeting, event, and travel planning business.

No matter how you accept payments, we provide real-time authorizations, along with easy reporting and reconciliation. Benefit from robust security features, such as tokenization and encryption, to keep your business and your clients' payment data secure.

## Why BluePay?

- Secure encryption and tokenization technology
- U.S.-based, award-winning customer support, available 24/7
- Robust online merchant portal with simplified transaction reporting
- Seamless integration into a variety of business management solutions

**"We are thrilled to partner with BluePay and offer these award-winning services to our members.** BluePay affords the opportunity for members to save substantially on processing fees and allows IAEE to provide additional services to members through our preferred partner program."

**DAVID DUBOIS,**  
President and CEO of IAEE
