## **Notice on the Prevention and Control of the NCP Epidemic in the Conference and Exhibition Industry of Shanghai**

Conference and exhibition units,

The city has launched a level 1 response mechanism for major public health emergencies. Please conscientiously carry out the Notice of the CPC Shanghai Municipal Committee and the Shanghai Municipal People's Government on Strengthening Prevention and Control of the NCP Epidemic in Shanghai. As per the guidance of relevant government departments, please implement the requirement of “canceling all large public events”, and suspend all exhibition events scheduled for February 2020. We remain fully committed to effective and efficient prevention and control of the NCP epidemic.
