Notice of Survey Regarding the Impact of the NCP Epidemic on Member Enterprises

Dear members,

In order to prevent and control the NCP epidemic, SCEIA is hereby issuing a proposal to all members on January 27. According to the requirements of the Division of Conferences and Exhibitions of the Shanghai Municipal Commission of Commerce, in order to learn more about the impact of the NCP epidemic on the conference and exhibition enterprises in our city, assist the government in helping conference, exhibition, and related enterprises overcome difficulties, reduce losses, and resume normal operation as soon as possible, the SCEIA hereby issues this Questionnaire on the Impact of the NCP Epidemic on the Conference and Exhibition Enterprises in Shanghai to all member enterprises. All member enterprises please complete the questionnaire as required and send it to the Association's mailbox: sceia2002@163.com by February 7, 2020.

The Association will summarize the feedback of the members as soon as possible, and formulate a special report which will be sent to Shanghai Municipal Commission of Commerce.
